3.2 Immediately and promptly notify the Company in writing of the nature of such complaint as soon as it comes to the notice of the customer and in any event not later than 14 days from the date of delivery of such goods to the customer, and

3.3 Afford to the Company or its servants or agents all reasonable facilities for inspection and testing of the goods complained of.

6. WARRANTY

The Company warrants that the goods supplied by it under the contract created by the Company's acceptance of order shall be free from any material defects in construction or manufacture for the period

8.2 If payment of the total price or other sums is not made on the due date in accordance with terms expressed in the Company's Acceptance of Order or if the customer shall appoint a Receiver or have a Receiver appointed to it or shall call a meeting of creditors for the purpose of a voluntary winding-up or shall be the subject of a petition for compulsory winding-up of the Customer then the Company shall have the right with or without prior notice at any time to retake possession of the whole or any part of the goods (and for that purpose to enter upon and into any premises occupied by the Customer) without prejudice to any other remedy of the Company.

8.3 The Company shall be entitled to maintain a claim and/or commence an action against the customer for the price of the goods sold by the Company to the customer notwithstanding that the property in the goods shall remain in the Company pursuant to the provisions of Condition 8.1 hereof. The making of any claim for the price by the issue of an invoice, by correspondence, by the commencement of the proceedings or the obtaining of any Judgment in such proceedings shall not negative or prejudice or in any manner affect the Company's property in the goods and/or its right to retake possession of the goods at any time until the Company shall have received payment in full of the sale price of the goods.

9. VARIATION

No purported variation of these terms and no representations made as to the time of delivery or any matter or thing affecting any contract between the Company and its customers shall be valid as against the Company or subject the Company to any liability of any kind unless in writing and signed by an authorised officer of the Company.
